

# California Conservation Corps and Certified Community Conservation Corps

## Corps Consultation Review Document

## Proposition 68 – Parks, Environment and Water Bond

Except for an exempted project, this Corps Consultation Review Document shall be completed by California Conservation Corps and Certified Community Conservation Corps (hereafter collectively referred to as Corps) staff on behalf of applicants wishing to seek preference for using the Corps, and must accompany applications for funding through Proposition 68, Chapter 1, Division 45: California Drought, Water, Parks, Climate, Coastal Protection, and Outdoor Access for All Act of 2018. Please see the Corps Consultation Process for more information. A copy of the process can be requested from the state department administering the grant program.

1. Name of Applicant: **Placer County Department of Public Works - Parks Division**  
Project Title: **Hidden Falls Regional Park Trails and Open Space Expansion Project**  
Department/Conservancy to which you are applying for funding: **CA Natural Resources Agency**  
Grant Program: **Recreational Trails and Greenways Grant Program**

This Consultation Review Document is being prepared by:

- ☒ **The California Conservation Corps (CCC)**
- ☐ California Association of Local Conservation Corps (CALCC)

2. Applicant has submitted the required information by email to the Corps:
  - ☒ **Yes, Applicant has submitted all necessary information.**
  - ☐ No, Applicant has not submitted all information or did not submit information to both Corps. Application is deemed non-compliant.
3. Determination:
  - ☐ It is NOT feasible for Corps services to be used on the project (deemed compliant).
  - ☒ **It is feasible for Corps services to be used on the project. The following aspects of the project can be accomplished with Corps services (deemed compliant):**

**CCC Corpsmembers from the Placer Center can assist with constructing the approximate 1 mile of new connector natural surface trail, hand clearing vegetation for the future parking and trailhead area, hand installing erosion control measures, and conducting fuels management work related to the project.**

**CCC can provide a 14-person crew for 4 days a week. Depending upon access, terrain, and subsurface conditions, the crew will be able to construct 1 miles of trail per week, or 1 – 1.5 acres of vegetation clearance/fuel management work per week.**

**The estimated cost per week is \$13,523.00:**

**Labor: 14 Corpsmembers x \$24 per hour x 40 hours per week = \$13,440.00**

**Staff Overtime: 1 Crew Supervisor x \$41.10 per hour x 2 hours per week = \$82.20**

**Total: \$13,522.20 per week**

**Please contact the project manager of the PLacer Center to discuss costs and coordinate the planning of CCC involvement in this project, and reach out again if your project receives funding:**

**Carie Monroe, Conservationist Supervisor (Project Manager)**

**Email: [Carie.Monroe@ccc.ca.gov](mailto:Carie.Monroe@ccc.ca.gov)**

**Phone: (530) 823-4075**

### Notes

*CCC and CALCC representatives will return a Corps Consultation Review Document to applicant via email within 10 business days of receipt of a complete consultation request as verification of consultation. Applicant will include a copy of the documents as part of the project application.*

*If the Corps determine it is feasible for their services to be used on the project, applicant will contact the Corps to discuss costs and coordinate the planning of Corpsmember involvement in the project and reach out again if the project receives funding.*

*Submission of past consultations does not satisfy the requirement to consult with the Corps. The Corps must be consulted each grant cycle prior to submitting a grant application.*
